DESIGN

1 SIMPLY ESSENTIAL

The ultra-thin frames and the understated, minimalist design provide 20% more light than a traditional aluminium window.

Luce is not just a window but part of the furniture. Its modern, simple and essential design adds an air of understated elegance to your home.

STANDARD FEATURES AND SOLUTIONS

2

AURORA EXENS HANDLE

Superlative elegance is achieved through this innovative and minimalist design where only the handle is visible.

SECRET HIDDEN HINGE

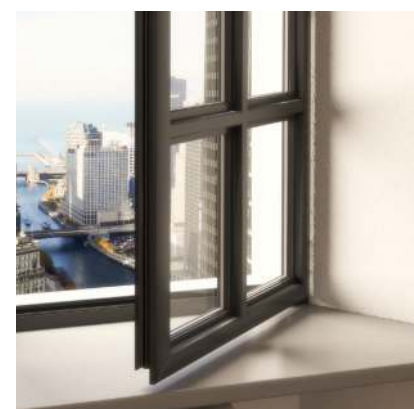

Secret hidden hinge for leaf and tilt&turn leaf with 180° rotation capability allowing the window to be opened fully. Capacity of up to 150 kg.

DRAINAGE CAP

Maximum attention to detail is ensured with the inclusion of an aluminium cap, which matches the colour of the window frame and covers the external holes used to drain water and condensation.

INGLESINE

Luce IRON, which is available also with a Georgian-style frame, is an elegant and refined solution that evokes a traditional style that is admired in both classic and industrial settings.

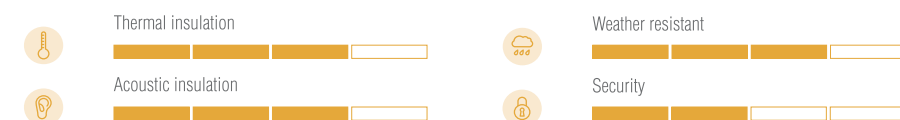

PERFORMANCE

3

The triple sealing system guarantees thermal and acoustic insulation.

LUCE

LUCE IS ALSO IRON

Minimal footprint and greater glass surface area offer unrivalled visual comfort and a sense of wellbeing. Perfect also for the creation of glass partition walls.

Always attentive to home living requirements, ALsistem has enhanced its product range in order to effectively respond to a diverse range of aesthetic requirements.

With the LUCE IRON line, ALsistem combines minimalist lines with cutting-edge design that emulates the traditional steel and iron windows of days gone by while maintaining the high insulation performance expected in today's world. The sections are reduced to a minimum, while the lines are clean and essential. The Georgian style frame adds a singular prestige and elegance to any room.
